Improving Women's Health Through Access and Education

## Healthier Families, Workplaces and Communities Start with **Healthier Women**

Highlight your commitment to women's health — and the health of your employees — by becoming a sponsor or community partner. Your support helps us provide access to care and education.

### **Methodist Mobile 3D Mammography**

*Ensure women of all socio-economic backgrounds can receive potentially life-saving screenings and follow-up care*

### **Women Connect**

*Encourage women to prioritize their health through live events and monthly outreach*

A HERproject study found that employers generate a **four-to-one return** when they invest in women's health programs. Benefits include:

- ✓ Improved health outcomes and worker satisfaction
- ✓ Increased productivity
- ✓ Lower healthcare costs
- ✓ Higher employee retention

Supporting **Methodist Hospital Foundation** at a level that fits your budget:

- ✓ Increases access to care and education for women throughout our communities
- ✓ Promotes your organization's commitment to women's health
- ✓ Provides free health resources for your team—a turnkey addition to your company's wellness program

# Annual Sponsorship Benefits

More opportunities to engage with your employees, their ERGs and our communities.

- ✓ Opportunity to present a free healthy living experience (i.e. flu shots, massages, yoga)

**“FNBO is proud to partner with community organizations like Methodist Hospital Foundation to support women’s health. Providing free mammograms to women who may not have access is an important step toward early detection, earlier treatment and more survivors of breast cancer.”**

*Christina Kahler,  
Managing Director of Marketing and Philanthropy at FNBO*

## Show your commitment to your employees’ health.

The women’s health initiatives you sponsor can enhance your organization’s wellness program. Bring Methodist Mobile 3D Mammography directly to your busy employees. Utilize Women Connect events and share the health resources. Encourage your employees to prioritize their health through screening and education!
